DEPT. OF KRIYA SHARIR

“स्वस्थस्य स्वास्थ्यरक्षणं, आतुरस्य विकार प्रशमनंच”॥॥

To maintain health of healthy person & to cure the disease of diseased one is the main aim of Ayurveda. This swasthya is based on 3 pillars of body i.e. dosha, dhatu & mala.

दोष धातू मला मुलं हि शरीरम...॥॥

The Sharir Kriya is the basic subject of Ayurveda for 1st B.A.M.S. students mainly deals with these 3 pillars. Also knowledge of basic siddhantas is given to students with their practical importance & we make the 1st BAMS students familiar to the Ayurveda. The different aspect of each Ayurved concept & their application in practice is also shown to students to enhance their skill & thinking capacity.

AIM:

- To give the basic knowledge & to give new scientific approach to UG & PG students in the skills of Ayurveda & making them eligible to stand in the clinical practice.

OBJECTIVES:

- Basic concepts of modern physiology.
- Basic concepts of Kriya Sharir. (Ayurveda view)
- To develop the skill in students in practical aspects & develop
- Personality as a good practitioner.

Departmental features:

- Computer with Internate facility
