### ESTABLISHING SUCCESSFUL DENTAL PRACTICE

A speaker of the webinar explained tips and tricks to establish successful dental practice in today's day. A speaker explained to provide a great patient experience through every interaction, even down to those micro moment. Creating happy and healthy office culture ripples into the patient experience. Speaker also emphasized on incorporating continuous dental staff training and dental practice management software as a key component to happy, productive, effective employees. Investing in training shows your investment in the careers and can go a long way in promoting healthy work environment that breeds success.
