DATE	Time	Activity	Comments
30/11/2022 Wednesday	10 -11	Interaction with SCI patients during Sports Activity	Observed outdoor training going on at basketball court.
	11 AM -1 PM	Clinical Teaching to I MPT	Introduction lecture on SCI basics including consequences and complications. Approx 15 students.
	2-3PM	Lecture/ practical III BPT	Introduction lecture on SCI basics including consequences. Approx 50 students
1/12/2022 Thursday	9 AM-12 PM	Clinical work with SCI-patients	Observed training with SCI-patients. Went through floor-chair transfers with some patients, gait and standing.
	12 PM-1 PM	Lecture/practical for IV BPT	Introduction lecture on SCI basics including consequences. Approx 50 students
2/12/2022 Friday	9 –11AM	Interaction with SCI patients	Focused on transfer training both at level, higher level, and floor-chair. Emphasized technique and not only using strength.
	11-12	II MPT lecture/ practical	Introduction lecture on SCI basics including consequences. Approx 15 students
	2PM-4 PM	Wheelchair discussion and adjustments with staff	A new w/c has been introduced from charity organization. Patients prefer that chair before Motivation due to several reasons. We will try to adapt the new w/c.
3/12/2022 Saturday	9.00 AM -10 AM	Chair Aerobics	Erika participated
	9.00-10	Wheelchair alterations	Met with representatives for adjustments of w/c, however they do not do welding and cannot alter private w/c.
	10.00	VR treatment	Tried the VR treatment that is used by Majori and others. Tried balance program and for breathing exercise.

**PRAVARA INSTITUTE OF MEDICAL SCIENCES
DEEMED TO BE UNIVERSITY**

	10.30 –12.30 PM	Clinical work with SCI-patients	Worked with patients in rehab.
05/12/2022 Monday	9-10 AM	OP-clinic	Met with OP, 1 that I met before and 3 that have been in rehab during the time I have not been here. They were all doing very well, returned to work and were basically independent.
	10,30 AM – 11	Outside hospital research	Went to identify person (MC-shop) who could alter the backrest of private w/c. Find MC-guy who was going to alter the w/c of Ajit
	2 –3 PM	Clinical Teaching to I MPT	Practical: wheelchair measuring Approx 15 students
	3 PM-4 PM	Clinical teaching INTERNS BATCH 1	Practical: wheelchair measuring Approx 13 students
	11-12 PM	MPT II lecture/ clinical session	Practical: wheelchair measuring, skills, and transfers
	2 PM – 3 PM	Clinical session INTERNS BATCH 2	Practical: transfers
	2 PM – 3 PM	Clinical work with SCI-patients	Meeting with staff from civil engineer dept. regarding tippers to Motivation active wheelchairs, fixing broken brakes and getting new inner tubes to wheelchairs.
09/12/2022 Friday	8-9.30 AM	ADL-training with SCI patient/ team meeting	Transfer training with patients to toilet
	10-11	Rickshaw transfers	Hired a Rickshaw for training with patients to enter and exit vehicle. All, but one, patients tried and did very well.
	12 PM-1 PM	IV BPT practical	Practical: Transfer training, floor-wheelchair and on level transfers. Approx 50 students
	3-4PM	III BPT practical	Practical: types of wheel chairs, measuring and w/c-skills Approx 40 students

PRAVARA INSTITUTE OF MEDICAL SCIENCES DEEMED TO BE UNIVERSITY

**Visit of Dr. Christina Opava Professor Emerita from Karolinska
Institute, Sweden to Dr.APJ Abdul Kalam College of Physiotherapy
Date: 25th - 27th February, 2023**

**Dr. Christina Opava, Professor Karolinska Institute, Sweden Handing over the
Book Memento to Hon'ble Chancellor Dr. Rajendra E Vikhe Patil**

On 27th February 2023 Dr. Christina Opava Professor Emerita from Karolinska Institute, Sweden visited Better Management of Osteoarthritis (BOA) Unit. There she reviewed the functioning of BOA unit from inception till date. All BOA Unit members were invited for a meeting and discussion with Dr. Christina Opava. During the meeting Dr. Nupoor Kulkarni, coordinator of BOA Unit, Dr.APJ Abdul Kalam College of Physiotherapy delivered a presentation on Development and functioning of BOA Unit. In presentation the development of BOA unit was shown along with patient census, community extension and outreach activities for creating awareness about BOA and its implementation.

PRAVARA INSTITUTE OF MEDICAL SCIENCES DEEMED TO BE UNIVERSITY

Prof Emerita, Karolinska Institute Sweden Dr Christina Opava delivering Key Note Address at the National Physiotherapy Conference 25th Feb 2023

Dr. Christina Opava appreciated the activities conducted by BOA unit like screening for osteoarthritis through camps, screening of patients visiting community Physiotherapy OPD and Orthopedic Physiotherapy OPD and enrollment of BOA patients satisfying the inclusion criteria for BOA, informative lectures on BOA concept along with a screening for osteoarthritis which were delivered to elderly individuals residing at old age homes, screening for specific populations like nurses , video-conference based awareness programmes like “Namaskar Doctor” programme under School of Public Health and Social Medicine, Radio programmes delivered at KVK radio station Babhaleshwar.

PRAVARA INSTITUTE OF MEDICAL SCIENCES DEEMED TO BE UNIVERSITY

Further, BOA unit members discussed the barriers faced by them during implementation of BOA programme like patient adherence, convincing patient to do the exercises in presence of pain, continuing exercises for a longer duration. Dr.Christina Opava acknowledged the barriers and suggested some modifications to be done in BOA programme and advised to get themodifie programme tested by conducting research on it.

INTERNATIONAL VIRTUAL LECTURE SERIES

**The College of New Jersey
&
Pravara Institute of Medical Sciences – Deemed to be University**

Workshop

**Developing Intercultural Competence through UNESCO Story
Circles**

This interactive virtual workshop invites participants into exploring the attitudes, knowledge, and skills that we need to be able to effectively engage with culturally different people. Participants are introduced to the ancient tradition of story circles and to making use of story circles to internationally develop intercultural competencies. The workshop draws upon the UNESCO Commissioned – Manual for Developing Intercultural Competencies authored by Darla Deardorff.

SPEKER : **Dr. Christa Olson,
The Center of Global Engagement Executive Director,
TCNJ**

DATE : **31st March, 2023**

Time : **5:30 – 7:00 PM Loni Time (IST),
8:00 – 9:30 AM NJ Time (EDT)**
