## **NSS REGULAR ACTIVITY REPORT**

**YEAR 2022-23**

**Dr. Sunil Bular**  
**NSS Coordinator PIMS DU**

Every NSS volunteer aspires to follow the essence of the National Service Scheme, that is, 'Education through Service'. At a time when the world is ridden with uncertainties and disintegration of the social fabric, the guiding ideals of NSS assume great significance when it comes to upholding social service and appreciation of other person's point of view.

Upholding the motto of Not Me But You, NSS Units of our Colleges have organized several activities and programs in the year 2022-23, which are in tune with student's personal development and their selfless services for the welfare of the institution and the society. Under the able leadership of NSS Programme Officers Dr. Sujata Muneshwar, Dr. Prashant Viragi, Dr. TejasSuryavanshi and Mrs. Sujata Umbarkar NSS Units were able to contribute too many flagship programs including Swachh Bharat Abhiyan, Poshan Pakhwada, Ek Bharat Shrestha Bharat, HarGharTiranga Campaign under the aegis of AzadikaAmritMahotsav both inside and outside the college campus.

The regular activities conducted by the NSS units of constituent colleges under PIMS are as follows:

### **1. International Yoga Day Report**

National Service Scheme and Sports Department of Pravara Institute of Medical Sciences Deemed to be University celebrated 8<sup>th</sup> International Day of Yoga on 21<sup>st</sup> June 2022. Ten day's Yoga camp was organized during 10<sup>th</sup> June, 2022 to 20<sup>th</sup> June, 2022 at 6.00 a.m. to 6.45 a.m. for the First Year Students of the M.B.B.S. (2021 Batch).

Common Yoga protocol was organized by Yoga Guru Shri. Cholake Sanjay at Ganga Hall of Padmabhushan Dr. Balasaheb Vikhe Patil Lecture hall Complex.

## 2. Partition Horrors Remembrance Day (12<sup>th</sup> to 14<sup>th</sup> August, 2022)

In order to commemorate the partition horrors Pravara Institute of Medical Sciences, Deemed to be university, Loni through its National Service Scheme Units organized an exhibition “Partition Horrors Remembrance Day”.

The Present generation youth hardly knows the struggle made by people to obtain the Independence. To understand the suffering of the people during the partition of the country is intimately connected with independence of the country.

This is the picturesque exhibition based on the shits provided by **Indian Council of Historical Research (ICHR)&Indira Gandhi National Centre for the Arts (IGNCA)**. It was arranged in and University Memorial hall situates at the entrance of the University. The 52 picture (Posters) orderly arranged on the Green Board standees.

The Exhibition was inaugurated by **Hon’ble Dr. Rajendra Vikhe Patil Ji, the Chancellor**

## NATIONAL SERVICE SCHEME, PIMS-DU

of the University, on 12<sup>th</sup> August, 2022 at 10.30 am. Hon'ble Dr. V.N. Magare, the Vice Chancellor had grace the exhibition in company with the Dean/Principals of the constituent colleges of the University. Patriotic songs were played during the inauguration of the exhibition.

The exhibition was kept open for Students, Teachers, Non-Teaching employees, Parents, Patients & their relative's, general public etc. from morning 8.00 am to evening 8.00 pm. during 12 to 14 August, 2022. To give wide publicity to this event all over the campus and neighboring areas informative posters were displayed.

### 3. One Day Special Clean Drive Swachhata Camp Report

National Service Scheme of Pravara Institute of Medical Sciences, Deemed to be University, Loni has organized **One Day Special Clean Drive Swachhata Camp** under SAP. All the four units i.e. Rural Medical College (RMC), Rural Dental College (RDC), Dr. APJ Abdul Kalam College of Physiotherapy & College of Nursing participated in the camp. 75 NSS volunteers participated in the camp.

**Camp Place :** Pravara Institute of Medical Sciences D.U. campus and nearby

Area of the University

**Schedule** : 26<sup>th</sup> November 2022

Swachhta (Cleanliness) is everyone's business and Ministries /Departments of the Union Government can play a substantial role in facilitating it. Hon'ble Prime Minister, Shri Narendra Modi called upon all Ministries/Departments to bring Swachhta as an element in their schemes and activities so that each of them and the institutions, corporations and offices under them can contribute to achieve Swachh Bharat.

Shri Narendra Modi himself initiated the cleanliness drive at Mandir Marg Police Station. Picking up the broom to clean the dirt, making Swachh Bharat Abhiyan a mass movement across the nation, the Prime Minister said people should neither litter, nor let others litter.

The NSS unit of PIMS organized a one day special clean up drive under swachhata camp. The following activities were conducted as a part of the swachhata camp

1. One day clean up drive was organized with focus on removal of single use plastic in the area of PIMS University campus and nearby area.
2. A rally was organized which was inaugurated by Panjabrao Aher Sir AO PIMS Loni. The rally started from the old guest house, the volunteers marched in the city of Loni and then were back to the lecture hall complex
3. A webinar on importance of removal of single use plastic and clean India Campaign was given by Dr Sunil Bullar Sir Programme Officer, PIMS DU Loni.

Total 75NSS Volunteers of Dr BVP RMC Loni, RDC Loni, Dr APJAK COPT Loni, and SSVPCON Loni participated in the activity.

#### **Valedictory Function:**

Valedictory ceremony was conducted at the Godavari hall of the Lecture hall Complex. Ceremony

began with summary of all the activities conducted during the camp by Dr. Prashant Viragi Programme officer of the Rural Dental College. This was followed by the sharing of the experiences of the NSS volunteers. Certificate were distributed to the volunteers participated in the camp. The ceremony concluded with the National Anthem.

## Smt. Sindhutai Eknathrao Vikhe Patil College of Nursing, Loni

First and Second year NSS Volunteers and other students participated in the competition on 04/08/2022 from 4.00 am to 5pm. All the volunteers are also informed to flur the National flags on their houses. Door to Door campaign was conducted to participate in campaign of “HarGharTirangaAzadikaAmritMahostav” on 06/08/2022 from 9.00 am to 11am.

### 3. No Smoking Day

National No Smoking Day, held every second Wednesday of March. The day is designed as a time to reach out to friends or family members who suffer from nicotine addiction. Research shows the number of people around the world who still smoke cigarettes and are not actively trying to quit is severely dwindling. The stigma surrounding smoking and the dangers of first-hand and second-hand smoke tend to get more severe as time goes on. But on National No Smoking Day, many are encouraged to help others quit.

In line with this NSS Volunteers at SSEVP CON in collaboration with Community health nursing department organized awareness campaign on health impact of cigarette smoking and nicotine addiction.

Total 50 volunteers enthusiastically participated in the Programme. They were divided in five groups and imparted health education on various aspects of smoking and Nicotine use at Kolhar village on 10<sup>th</sup> March 2022. Around 600 beneficiaries benefitted during this activity. The programme was well received and appreciated by the villagers and Grampanchayat authorities of the village.

#### 4. National Nutrition Week/ Rashtriya Poshan Mah

Every year National Nutrition week is observed during first week of September, to focus on various nutritional issues. This year’s the WHO theme of the nutrition week is **“Celebrate a world of Flavours”** which encourages people to have a healthy lifestyle while enjoying the Flavours of food.

NSS and SNA Volunteers at SSEVP College of Nursing in collaboration with community health nursing department observed this week 1<sup>st</sup> to 7<sup>th</sup> September 2022. Total 140 volunteers participated in the activities conducted on unity day run and motor bike rally.

The rally was started on 31.10.22 at 9.00 am from the OPD Entrance in presence of chief guest Mr. Panjabrao Aher (Executive Director) and Mr. Dhruv Vikhe Patil (Trustee of PMT).

## 6. World Tuberculosis Day

NSS of SSEVP College of Nursing commemorate world tuberculosis (TB) day to raise public awareness about the devastating health, social and economic consequences of tuberculosis and to setup efforts to end the global TB epidemic. Tuberculosis remains one of the world's

deadliest infectious killers so for create awareness among the general population. NSS Volunteers organized a skit on Awareness of tuberculosis. NSS Volunteers performed a skit on 'Awareness of tuberculosis' at Pravaranagar which is situated in Rahata Taluka on 8<sup>th</sup> April 2022 at 11 am.

## 7. World Hearing Day

**World Hearing Day 2023** will highlight the importance of integrating ear and hearing care within primary care, as an essential component of universal health coverage. Ear and hearing problems are among the most common problems encountered in the community. Every year, a theme is chosen in order to effectively convey the message of the worldwide day. The topic for this year is "**Ear and hearing care for all!**" The necessity of including ear and hearing care in routine medical treatment is highlighted by this year's World Hearing Day topic.

In line with this NSS unit in collaboration with Community health nursing department had organized theme based poster competition. NSS volunteers and other students enthusiastically participated in it. The Sarpanch of Bhagwatipur inaugurated the poster exhibition and addressed the volunteers. The exhibition was visited, well received and appreciated by Sarpanch, and local people of Village Bhagwatipur and Kolhar. Total 50 volunteers participated in the programme and around 200 visitors benefitted with the exhibition.

## 1. International Yoga Day

Yoga is an ancient and complex practice, rooted in Indian philosophy. It began as a spiritual practice but has become popular as a way of promoting physical and mental well-being. Research studies suggest that yoga helps to improve general wellness by relieving stress, supporting good health habits, and improving mental/emotional health, sleep, and balance. It relieves low-back pain; neck pain, and possibly pain from tension-type headaches and knee osteoarthritis. It is beneficial for people with chronic diseases to manage their symptoms and to improve their quality of life.

In line with the same on 21.06.2023 demonstration yoga was conducted in College during 10 am to 11 am. 100 volunteers enthusiastically participated in the Common Yoga Protocol.

## **Dr. Balasaheb Vikhe Patil Rural Medical College, Loni**

### **1. Health Education Activity on Adolescent Health**

Adolescence is the phase of life between childhood and adulthood, from ages 10 to 19. It is a unique stage of human development and an important time for laying the foundations of good health. Adolescents experience rapid physical, cognitive and psychosocial growth. This affects how they feel, think, make decisions, and interact with the world around them. To grow and develop in good health, adolescents need information, including age-appropriate comprehensive sexuality education; opportunities to develop life skills; health services that are acceptable, equitable, appropriate and effective; and safe and supportive environments.

Dr. BVP RMC NSS unit organized a health education activity on adolescent health in little flower school Loni on 1/7/2022. A total of 50 NSS volunteers participated in the activity. Total beneficiaries 150 students.

### **2. Breast Cancer Awareness Activity**

A malignant tumour of the cervix, the lowermost part of the uterus. A malignant tumour of the lower-most part of the uterus (womb) that can be prevented by PAP smear screening and a HPV vaccine. NSS Volunteers spread the awareness about cervical cancer. NSS volunteers told about the various screening tests. 50 NSS volunteers participated in the activity. 50 Village women Rahata were benefited by the activity.

### 3. Health Education On Child Abuse

Child abuse (also called child endangerment or child maltreatment) is physical, sexual, and/or psychological maltreatment or neglect of a child or children, especially by a parent or a caregiver. Child abuse may include any act or failure to act by a parent or a caregiver that results in actual or potential harm to a child and can occur in a child's home, or in the organizations, schools, or communities the child interacts

Dr BVP RMC NSS unit in collaboration with MSAI project Tara organized a health education activity for school students of ahilya bai on 06/04/2023. A total of 50 NSS volunteers participated in the activity with 150 beneficiaries.

### 4. Health Education On Hand Hygiene Activity

Hand hygiene saves millions of lives every year when performed at the right moments during health care delivery. It is also a smart investment that offers exceptional return for each dollar invested. Clean care is a sign of respect to those who seek care, and it protects health and other workers who provide that care.

Each year the Save Lives: Clean Your Hands Campaign aims to progress the goal of maintaining a global profile on the importance of hand hygiene in health care and to 'bring people together' in support of hand hygiene improvement globally. Campaign theme: Together, we can accelerate action to prevent infections and antimicrobial resistance in health care and build a culture of safety and quality in which hand hygiene improvement is

given high priority. Slogan: Accelerate action together. SAVE LIVES – Clean Your Hands. Dr BVP RMC NSS unit organized a health education on hand hygiene Activity in a school in adgaon village on 05/05/2023. A total of 50 NSS volunteers participated in the activity. Total beneficiaries 75.

## 5. Health Education On Health And Hygiene

Hygiene refers to behaviors that can improve cleanliness and lead to good health, such as frequent handwashing, facial cleanliness, and bathing with soap and water. Many diseases can be prevented through proper hygiene practices, such as covering your cough and sneezes, washing hands after handling animals, and showering before you swim.

Dr BVP RMC NSS unit in collaboration with pharmacy college Loni organized a health education on health and hygiene for pharmacy college students on 03/01/2023. A total of 50 NSS volunteers participated in the activity. Total beneficiaries 100 students.

## 6. National Nutrition Week Activity

In India, the first week of September every year is celebrated as National Nutrition Week. The week is observed every year from September 1-7. The purpose of this week is to raise awareness among the general public about the value of healthy eating practices and proper nutrition for upholding a healthy lifestyle. The government launches programmes to promote nutrition awareness throughout this week.

Dr BVP RMC NSS unit organized a National Nutrition Week activity in a school in Adgan village on 01/09/2022. A total of 50 NSS volunteers participated in the activity. Total beneficiaries 75 students.

## 7. Organ Donation Awareness Campaign Activity

To increase the number of organ donors, especially among underrepresented populations, current approaches include the use of optimized social network interventions, exposing tailored educational content about organ donation to target social media users. The primary objective is to promote awareness of life-saving solid organ transplants. The secondary objective is to promote awareness of tissue and life-enhancing transplants.

Dr BVP RMC NSS unit in collaboration with department of community medicine organized a organ donation awareness campaign activity for medical students on 13/04/2023. A total of 50 NSS volunteers participated in the activity. Total beneficiaries 200 students.

## 8. International Women's Day Activity

The UN theme for this year's International Women's Day is "DigitALL: Innovation and technology for gender equality". This theme is aligned with the priority theme for the upcoming 67th Session of the Commission on the Status of Women (CSW-67), "Innovation and technological change, and education in the digital age for achieving gender equality and the empowerment of all women and girls".

Dr BVP RMC NSS unit in collaboration with women empowerment cell of PIMS Loni organized International Women's Day activity in Loni village on 08/03/2023. The activity included a rally and two street plays. A total of 50 NSS volunteers participated in the activity. Total beneficiaries 250.

## 9. World Obesity Day Activity

World Obesity Day has been observed globally on the 4th of March since 2020 to counter and end the growing global obesity crisis by promoting applied solutions in a real-world scenario, thus increasing the awareness of overweight and the complications it begets. On this day, people from various international and local organisations all over the world unite to raise awareness about the growing obesity crisis and take collaborative action to correct the misconceptions around obesity, acknowledge the risk factors, and implement real-world solutions. This year 2023, the World Obesity Day 2023 theme is "Changing Perspectives: Let's Talk About Obesity"

Dr BVP RMC NSS unit organized a health education and screening activity of medical student of Dr BVP RMC Loni on 04/03/2023. A total of 50 NSS volunteers participated in the activity. Total beneficiaries were 216 students.

## 10. World Tuberculosis (TB) Day

Each year on March 24, CDC joins the global community to observe World Tuberculosis (TB) Day – an important moment to unite in support, attention, and energy to end TB. The theme for this year's observance, "Yes! We Can End TB," highlights the determination and enthusiasm of global partners as we join forces to end the global TB epidemic.

Dr BVP RMC NSS unit organized a World Tuberculosis (TB) Day activity in Loni village on 24/03/2023. The activities had a rally and a street play to create awareness about modes of spread and preventive measures of Tuberculosis. A total of 50 NSS volunteers participated in the activity.
