Invitation

Dear Colleagues & Friends,
It's with great pleasure that we welcome you to the "2nd International Congress on Regeneration, Growth Factors & Stem Cells in Dentistry" jointly organised by Pravara Institute of Medical Sciences (Deemed to be University) Loni, India in collaboration with World Academy Of growth Factors and Stem Cells in Dentistry and the University of Bari "Aldo Moro", Italy.

Our objectives for this Congress will be to link molecular biology with biological guided tissue regeneration techniques in Modern Dentistry, as well as to advance our surgical knowledge and professional dental care with the use of growth factors and stem cells, around the World.

We are pleased to assure you that we would host the best key note speakers in Dentistry who will offer you high quality master classes and innovations in dental treatments.

This Congress will also give every individual an opportunity to unite, face new challenges and discover new pathways for professional development.

Enjoy this unique chance to interact, learn and socialize with well-known scientists from all over the world in an environment that is so interesting to discover in western India.

We are looking forward to your presence at the Congress to be a part of this great learning extravaganza.
